Ultra Aluminum fence and railing products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish on all fencing and railing by Ultra Aluminum is unconditionally guaranteed for life against cracking, peeling or chipping.

If the product should fail in accordance with any of the above conditions, the manufacturer, Ultra Aluminum, guarantees replacement or renewal of the defective parts, providing the purchaser has registered the purchase within thirty (30) days of receipt of material. Notice of such a failure will be sent to manufacturer in writing together with a proof of purchase and will specify the nature of the defect and when it was first observed.

Should the fences be improperly installed, Ultra will not be responsible for guaranteed performance or appearance of material. Neither does this guarantee apply where failure or damage is due to improper use or application, abuse or misuses, extreme environmental conditions or acts of God.

Ultra reserves the right to request return of the fence, transportation charges prepaid, for the purpose of inspecting the material to determine the validity of the claim.

Upon validation of a claim by Ultra, replacement will be made from the factory only for material which will be returned to the factory in Howell, Michigan, transportation prepaid. Material must not be returned to the factory without prior authorization from Ultra.

Manufacturer's liability is discharged upon delivery of material to site. Manufacturer will not be responsible for reinstallation. Manufacturer is not responsible for accidental and consequential damages.
